

## United States Bartenders' Guild

*"Working to Improve the Image of the Professional Bartender"*

### Why Join the USBG?

Great networking opportunities

A chance to challenge yourself and your craft through cocktail competitions; local, national and international

Extensive spirits education and training in our chapter cities

Access to insider information like new product introductions or trade events

Charitable involvement through your local chapter or through our national charities

Free subscriptions to industry publications and discounted trade event tickets

### Our Mission Statement

*The United States Bartenders' Guild is a network of beverage service professionals dedicated to the continued refinement of our craft. Such refinement is achieved through advanced product education; interactive seminar participation; original, hand-crafted cocktail competition; and aggressive involvement with other professionals in the beverage industry throughout the United States and the world. It is our intention, desire and main focus to become the most skilled, knowledgeable and professional bartenders in the industry. Above all, the United States Bartenders' Guild supports and promotes well-informed, responsible consumption of alcoholic beverages.*

*The United States Bartenders' Guild is the Official Representative of the International Bartenders' Association in the United States.*

**Please visit [USBG.org](http://USBG.org) for the latest USBG news.**
